Prior to starting Studioworks in 2008, Sue Rebello worked for Richard Bath Associates, Linberg & Simmons, and Design Source International. She has worked on a variety of projects ranging from affordable housing for the Bermuda Housing Corporation and high end residences at Ship's Hill in Tuckers Town to commercial and industrial developments.

Philosophy:

Through collaboration with you, **STUDIOWORKS** creates quality environments that meet your needs, integrating the design with its surroundings to realize a unique and aesthetic home or building.
